TO WHOMSOEVER IT MAY CONCERN

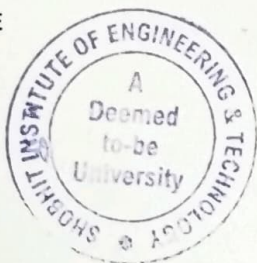

It is my pleasure to recommend Mr. **Shubham Chaudhary**, currently pursuing **2nd year (4th sem)** at **School of Computational Sciences and Engineering, Shobhit Institute of Engineering and Technology (Deemed-to-be University)**, for the Internship Programme being conducted by the Indian Cyber Crime Coordination Centre (I4C), Ministry of Home Affairs.

During their academic tenure with us, Mr. Shubham Chaudhary has shown commendable interest in subjects related to cyber security, digital forensics, and information technology. Their consistent academic performance and keen interest in emerging technologies make them a suitable candidate for this internship.

I am confident that the hands-on exposure and national-level experience offered by I4C will further augment their practical knowledge and contribute to their overall growth as a responsible and skilled professional in the cyber domain.

I strongly recommend **Mr. Shubham Chaudhary** for this internship and wish them success in all future endeavors.
